## MASSAGES AND AYURVEDIC THERAPIES

### CHAMPI

30 min.  
80 €

50 min.  
100 €

Ayurvedic head massage which combines different types of manipulations and pressures that increase concentration, micro-circulation and oxygen supply to the brain.

*\* It helps to release tensions, relieves mental exhaustion, stress, insomnia, headaches and migraines.*

### ABHYANGA

90 min.  
135 €

120 min.  
180 €

Relaxing Ayurvedic massage with medium pressure that aims to strengthen our immune system. Recommended for all ages.

*\* It helps to relax the muscles, to calm nervous tension, restore lymphatic & blood circulation, conceal good sleep and release stress.*

### ABHYANGA WITH PINDAS

90 min.  
160 €

120 min.  
190 €

It is a powerful revitalising treatment. The massage is performed with hot pindas (cotton compresses filled with rice, spices, natural herbs and aromatic plants). It produces an oxygenating and detoxifying effect on the body, which helps to rejuvenate the tissues and improve muscle tone.

*\* Beneficial for all types of rheumatism, joint pain and loss of muscle mass. It has anti-inflammatory properties and helps soothes skin irritations.*

## MASSAGES AND AYURVEDIC THERAPIES

### THERAPY FOR TIRED LEGS

Complete leg therapy that stimulates blood circulation, venous return and lymphatic system. Reduces fatigue and joint pain.

1. Hot towel foot wrap followed by application up to a knee of Ubtan powders that exfoliate without depriving skin of its own moisture and, in addition, improve blood circulation.
2. Detox foot wrap with Nirama mask rich in minerals that absorb all impurities, decongests and has anti inflammatory properties.
3. Pada Abhyanga - ayurvedic foot massage with Marma points stimulation.
4. Padani Abhyanga - ayurvedic leg massage.

*\*Foot and leg therapy that relieves pain, reduces heaviness and inflammation. Provides calm and well being leaving feeling of complete relaxation.*

*\*Some of the steps and/or products used can be changed by the therapist due to existing circulatory issues, varicose veins, etc.*

80 min.  
120€

### MARMA ABHYANGA

A massage technique that uses various forms of movement and pressure on marmas (body's anatomical areas or vital points which system gave birth to acupuncture and reflexology) Combined with Aromatherapy (application of herbal and essential oils) promotes balance and harmony of body-mind-spirit.

*\* Focused on energy points, this system is used to treat a variety of disorders from physical to psychosomatic and its uses are almost limitless for health maintenance.*

120 min.  
200 €

### PERSONALISED ANTI PAIN THERAPY

Personalised massage that aims to calm the pain, inflammations, relax the nervous system and nurture body tissue.

(The time needed for each therapy will be decided by the therapist)

30 min.  
85 €

60 min.  
125 €

### ANTI STRESS RITUAL

Balances chakras through gem therapy and helps disconnect the mind with power of essential oils, combined with different massage techniques will lead you to a state of optimal relaxation.

Aura ayurvedic infusion at the end of the ritual will help to clear emotional blockages and strengthen the immune system.

*\* Ideal to relax the body, disconnect the mind  
and reduce stress level.*

120 min.

200 €

## AROMATHERAPY AND OTHER MASSAGES AND TREATMENTS

### GREEN TEA DRAINING THERAPY

60 min.  
125 €

This therapy combines lymphatic drainage with green tea herbal compresses and reflexology with quartz crystal wands technique. It is indicated for treating oedema, fluid retention, lymphatic congestion and oedematous cellulite. It is also recommended before applying a lipolytic treatment to make it much more effective.

100 min.  
170 €

- (60' - leg therapy, 100' - full body therapy).

Contraindications: pregnancy, breastfeeding.

*\* Detoxification therapy of the tissue and lymphatic system. Can be used by people with hyperthyroidism as it does not contain iodine.*

### TERAPHY "BREATHE"

50 min.  
115 €

Magnificent combination of acupressure, scientific aromatherapy and massage with herbal compresses.

Indicated to treat:

- Chest and general colds, bronchitis and viruses.
- Tiredness or fatigue.
- Lack of energy and vitality associated with the winter season.
- Low mood, lack of willpower and sadness.
- Respiratory system in smokers. Detoxifies and accompanies smoking cessation treatments.

Contraindications: pregnancy, breastfeeding.

*\* Ideal therapy to treat any kind of respiratory disorder and side effects caused by it.*

## AROMATHERAPY, OTHER MASSAGES AND TREATMENTS

### BODY INTENSIVE TREATMENT

90 min.  
180 €

Personalized firming, draining and anti-cellulite treatment that tones the muscles, tightens the skin and helps to eliminate and dissolve fat nodules.

#### \* Firming:

Intense volcanic lava peeling contains natural silicon, an essential trace element fundamental for firming flaccid tissue. Micro-burst algae wrap with essential amino acids and its remineralizing properties provide a firming effect.

#### \* Anti-cellulite, draining:

Soft tea tree peeling stimulates blood flow and prepares fat nodule areas for the penetration of active ingredients.

Green tea slimming wrap activates lipolytic action and, due to its potassium content, helps eliminate retained fluid, facilitating tissue drainage.

Treatment will be concluded with a personalized localized massage.

### CLASSIC FACIAL TREATMENT

60 min.  
100 €

Classic facial treatment that is performed with organic brand products from South Africa - Esse Probiotic Skincare which uses biotechnology to get skin to optimum health so that it is resistant to the ageing process. Unique anti-ageing active ingredients, including live probiotics, makes these treatments effective for all skin types and challenges, including very sensitive skins.
