## Welcome to the Dining Room

Our Head Gardener grows much of our produce in our Kitchen Garden from seed with care and dedication. This is harvested in season by our Chef Director, Simon Haigh and his brigade, which is used alongside the best locally sourced produce to create truly innovative and contemporary dishes.

My team and I are passionate about creating a friendly & relaxed atmosphere and take pride to serve you with excellence.

Should there be anything we can do to enhance your dining experience, please do not hesitate to ask us.
