

MODERN RESORT CONDOS & TOWNHOMES IN ORLANDO

DISCONNECT FROM THE EVERYDAY. RECONNECT WITH LUXURY.

At Spectrum Resort Orlando, you'll enjoy the finest features and elegant touches throughout, from high ceilings and open floor plans to contemporary designs and spacious layouts. Our well-appointed resort homes feature modern designs with both indoor and outdoor living – and more than enough room for family and friends to spread out or come together. Enjoy a private bath, inviting dining space, and expansive private patio. Select resort homes feature two stories along with game rooms, sun terraces, and more. As a Spectrum Resort Orlando guest, you will have access to a range of world-class amenities: three signature golf courses (designed by Jack Nicklaus, Arnold Palmer, and Tom Watson), a water park with a lazy river, tennis court, a fitness center, and casual and upscale restaurants.

WORLD-CLASS GOLF COURSES

DISCONNECT FROM THE DAILY GRIND. RECONNECT WITH A SLOWER PACE.

Play at one of only six resorts to make Golf Digest's list of "Top Golf Resorts in Florida," and the only resort to feature three courses that also made the publication's list of "Florida's Top 75" places to play. Spectrum Resort Orlando is the only place in the world to feature signature golf courses designed by three of the game's most revered legends – Jack Nicklaus, Tom Watson, and Arnold Palmer. In addition, private or group lessons are available from one of our onsite teaching professionals. And if you'd rather take a kick at a soccer ball than a swing from the tee, you can play 18 holes of footgolf on the award-winning Watson Course, which provides hours of fun for all ages.

WATER PARK, POOLS, AND CABANAS

DISCONNECT FROM RESPONSIBILITIES. RECONNECT WITH YOUR INNER CHILD.

Take a dip in one of our resort pools. Feel the rush of the twisting waterslides. Play lawn games with family and friends, or simply lounge in one of the hot tubs or private poolside cabanas. Whether you're looking for adventure or relaxation, you'll find it here. There are even scheduled kid's activities and events throughout the week, as well as poolside food and beverage service, ensuring the whole family has a good time.

FITNESS CENTER AND RECREATION

DISCONNECT FROM SCHEDULES. RECONNECT WITH A 6-MINUTE MILE.

Taking a break from your daily routine doesn't mean you need to take a break from fitness. Lift some free weights or run on the treadmill in our fitness center or practice your serve on one of our six clay "Hydro-Grid" tennis courts. The award-winning Tennis Centre even has a fully stocked pro shop and USPTA certified pros offering private lessons, group lessons, and clinics for adults and children of all skill levels.
